

**MAKYBE RISE**  
PRIMARY SCHOOL

# Makybe Rise News

## Principal's Message

Dear Makybe Rise Families

Congratulations to Ms Kristie Gray and our students in the Senior Choir on their wonderful performance at the Mandurah Performing Arts Centre last Thursday. We are very proud of you! The event was hosted by Makybe students, Addi and Talon, who are commended for their articulate and highly professional presentation.

What a delight it was to see our children and staff all dressed up for Monday's Book Week Parade! Thank you to our families who were able to join us on the oval.

This week the children have begun to visit our annual Book Fair in the library. Books make for wonderful gifts and a percentage of all proceeds go back to the library. We appreciate your support.

Our sports carnivals begin next week with the Pre-primary event on Tuesday. PP students are invited to wear their Tribes shirts and families are encouraged to come along to cheer them on!

Our Junior Carnival takes place in Week 8 on

Wednesday, 9 September, and is followed by the Senior Carnival on Friday, 11 September.

Plans for our best ever Commit to Student Success Week are well underway. Families are invited to a free parent workshop with psychologist, Dr Judith Locke, on Monday 21 September about raising confident and capable children.

**Tuesday, 22 September is an early close day.** All students will go home at 1pm and then return to school at 3pm for Open Night. Classroom events are planned from 3pm, followed by the awesome 'Sunset on the Rise' Art Exhibition, choir performances, specialist classes displays and the unveiling of our very own Makybe Rise school song!

Camp Australia will be available to book children in for after school care from 1pm on Tuesday, 22 September.

I would like to thank our parents for patiently waiting until 2.30pm to enter the school through the office.

Steph McDonald  
Principal

## IMPORTANT DATES

- 28 August - Kindy B Book Week Dress Up Day
- 28 August - Rooms 29 & 30 Assembly
- 25-31 August - Book Fair
- 1 September - PP Sports Carnival
- 3 September - Jumps & Throws
- 4 September - Room 4 Assembly

# Science Week Spectacular

Last week was Science Week at Makybe Rise. We had an incursion from Scitech that involved two sessions (a show and a workshop).

The junior primary children learned all about how toys and everyday objects move. They experimented with ramps of different surfaces to explore how friction can slow cars down. The senior students discovered how humans have battled gravity, drag and the laws of physics to get airborne. The challenge for each group was to build a flying machine using a helium balloon and steer it through hoops using an air pump. It was definitely harder than it sounds!

On Friday we held our annual whole school event. This year it was balloon car racing. There were some absolutely amazing designs, some that went long distances, others that were speedy, some that hardly moved and some that went backwards! We had a lot of fun racing them and it was great to see so many children getting involved. A selection of the balloon cars will be on display in the library, the Science rooms and the administration office for the next couple of weeks, so if you get a chance, pop in and have a look at these incredible inventions.

Well done to everyone that made a balloon car and took part on the day.

Ms Sarah Alderdice  
Science Specialist

# Room 36 Growth Mindset

We have been learning about growth mindset. This is a 'belief system that suggests that one's intelligence can be grown or developed with persistence, effort and a focus on learning' (Ricci, 2013) and was first introduced through Carol Dweck's (2006) research. Room 36 have been exploring how growth mindset can help them to learn. Through a series of carefully designed lessons, students have been learning about how the brain works and what the differences are between having a growth mindset compared to a fixed mindset. The next series of lessons will explore how to develop a growth mindset and the keys skills required to sustain perseverance. Here's what Room 36 said when they were asked what a growth mindset is:

'You don't give up, keep on trying' - Scott

'Growth mindset is having a try and if you make a mistake it helps you to learn' - Charlotte

'Put your hardest into whatever you do' - Finn

'It is perseverance' - Brooke

'You always try, and if you get a question wrong it doesn't matter' - Aryan

'Believe in yourself, you can do anything' - Amy

**Change your words,  
change your mindset!**

## Woolworths Earn & Learn

Woolworths Earn & Learn is back and it is now easier than ever to earn valuable resources for our school. Last year more than 14,500 schools and Early Learning Centres benefited from the program, boosting supplies in classrooms, libraries, music rooms, gymnasiums and science labs.

**It's simple to participate.** From Wednesday, 15 July to Tuesday, 8 September 2015, when you shop at Woolworths you can collect Woolworths Earn & Learn Stickers from the checkout operator or through an online order and place them on a Woolworths Earn & Learn Sticker Sheet. There'll be one Woolworths Earn & Learn Sticker for every \$10 spent (excluding liquor, tobacco and gift cards). Once completed, simply place the Sticker Sheet in the Collection Box, either at our administration office or at your local Woolworths.

We will then redeem your Woolworths Earn & Learn Stickers for valuable education resources !

A vertical poster for Book Week Dress Up Day. The background is dark blue with a starry night sky and a crescent moon. At the top, 'BOOK WEEK' is written in large, yellow, dotted letters. Below it, 'DRESS UP DAY' is also in large, yellow, dotted letters. The date 'Monday 24 August' is written in a large, orange, cursive font, with '(Whole School incl. Kindy Group A)' in smaller white text below it. Further down, 'Friday 28 August' is written in a large, orange, cursive font, with '(Kindy Group B)' in smaller white text below it. The text 'Celebrate Book Week with our annual Book Week Dress Up Day!' is in white. Below that, 'Join the fun and come dressed as your favourite book character.' is in white. Then, 'Don't forget to bring your gold coin to be eligible to participate.' is in white. At the bottom, a small note says 'Please note children not wishing to participate must be dressed in correct school uniform.' There is a circular logo on the right side that says 'BOOK WEEK DRESS UP DAY' and '70th ANNIVERSARY'. A small '70' logo is also visible at the bottom right.

## Book Week & Book Fair

**Book Week - Week 6: Monday, 24 August to Friday, 28 August**

**Scholastic Book Fair: Tuesday, 25 August - Monday, 31 August**

**Book Week Dress Up Day: Whole School Monday, 24 August (Friday, 28 August - Kindy Group B)**

Each year schools and public libraries across Australia spend a week celebrating books and Australian authors and illustrators. This year the Children's Book Council of Australia celebrates its 70th anniversary. Book Week will be held during Week 6 of this term - 24 to 28 August.

To kick off Book Week, we will be holding our annual **Book Week Dress Up Day** on **Monday, 24 August (Friday, 28 August for Kindy Group B.)** We can't wait to see you all dressed as your favourite book character! We will also be holding our fabulous whole school parade on Monday morning on the oval (weather permitting!)

We are super excited that we were lucky enough to have our Scholastic Book Fair scheduled for the same week. The Book Fair will be delivered some time on Tuesday, 25 August and will run up to and including Monday, 31 August. (Opening for trade on Tuesday afternoon will depend on delivery time.)

We take great pride in being the Number 1 school for Book Fair sales in Western Australia. We are really hoping that with your support we can beat last year's sales and remain at the top! The school has the potential to earn up to a whopping 40% of the proceeds, so it is a huge fundraiser for the library and our school resources.

As in previous years, you will be able to select a book to purchase and donate to the school for us to treasure in our library for years to come. Students, parents and carers who are able to purchase books as a donation will have their name featured on a book plate on the inside cover.

Various activities will also be held in our local libraries over the duration of Book Week. For more information you can visit [www.rockingham.wa.gov.au/libraries](http://www.rockingham.wa.gov.au/libraries) or <http://cbca.org.au>.

It's a very exciting time in the Library and we can't wait to share the fun with you!

Thank you

Kerry McCorriston & Andrea Prescott

Library Officers

*every child every day*

## Room 7 Explores Outer Space

In Room 7 we have been learning all about Space. In the last two weeks we have been looking closely at the moon. We read a book called 'If I decided to go to the Moon.' It taught us all about the moon and what we would need to take on a trip there.

We learnt that the moon reflects light from the sun and as the sun lights up different parts of the moon we see the different shapes it makes in the night sky. We also learnt that the moon is made up of rock and dust and has holes called craters.

In order to travel to the moon we learnt that we would need to take a space suit to protect us from the extreme hot and cold temperatures. We would also need to have oxygen tanks because there is no air to breathe on the moon.

The children became astronauts decorating their own space suit with tin foil and designing their own flag that they would take to the moon if they visited.

Kirsty Davies  
Classroom Teacher

## Makybe Rise P&C Inc. News

**Spare Change Challenge:** We are pleased to announce the winning classroom was Room 26! Everyone is a winner though with over \$1100 raised for the school. Thank you to all the families who participated; we appreciate your support.

**Baldivis Community Markets:** The P&C will be running the sausage sizzle at the next Community Markets on Saturday, 5 September. If you can spare an hour of your time, between 8am and 12pm, please contact Jodeen on 0414 464 919. Be sure to stop by and say 'hi' if you are at the markets!

**P&C General Meeting:** Our next meeting will be Wednesday, 9 September from 6.30pm in the school staff room. Due to the popularity of last term, we will be running a short 60 minute meeting followed by a light supper and chance to chat. Babysitting is available at a cost of \$2 per child. Bookings are essential; to secure your spot please email: [makyberisecanteen@gmail.com](mailto:makyberisecanteen@gmail.com).

**School Disco:** Friday, 30 October is school disco night! Further details to come.

**Canteen Corner:** Our canteen will be open for parents at the upcoming sports carnivals. Please keep an eye on the P&C Facebook page for further details.

Katie and Laura are also busy working on our summer menu, which will be out soon. We're all looking forward to seeing what delicious ideas they have created.

If you have any time to spare, the girls are always looking for new volunteers. If you are able to help please email: [makyberisecanteen@gmail.com](mailto:makyberisecanteen@gmail.com).

To view the menu or place an order, please go to [www.ouronlinecanteen.com.au](http://www.ouronlinecanteen.com.au).

For any P&C queries, please contact us via our Facebook page or by email: [makyberisepandc@gmail.com](mailto:makyberisepandc@gmail.com).

You're invited to our

# BOOK FAIR

**Date:** Tuesday 25 - Monday 31 August

**Time:** 8:30 - 9:00 am  
3:00 - 3:45 pm

**Place:** Makybe Rise Primary School  
Library

The Scholastic Book Fair is a fabulous way of raising funds for our school Library. The school receives a percentage of funds raised to spend on valuable resources for our Library which helps boost our collection for students to enjoy. Come along and support our school. We would love to see you.

\*Please note that opening on Tuesday will depend on delivery time.

Registrar: Amanda Sykes

UPDATE 2—TERM 3—25th August, 2015

We are progressing very well with our planning and we are now getting a steady stream of enrolments for 2016. If you are intending to enrol your child/children, please do so as soon as possible as this will greatly assist us with our planning. Again we strongly encourage families who live in our catchment area to enrol in their local school.

Our new school will have a very strong emphasis on our community, our values, social and emotional well being and, of course, our core business of teaching and learning. We will also be ensuring that our students are focusing on higher order thinking strategies that can be used in all facets of their life as well as making important decisions.

## Steering Committee

Thank you to those parents who attended our Steering Committee meeting Monday, 17th August (last week).

### School Name Survey

The results of the school name survey was discussed. Of the 107 families surveyed, 90 responded which is a fantastic response. The top three names have been submitted to the Minister and we now await his decision.

The names submitted were (in order):

1. Rivergums Primary School
2. Rivergum Lakes Primary School
3. Rivergum Park Primary School

### Uniform Update

A sub-group of parents met with two uniform suppliers. After due consideration it was decided to select Nell Gray as our supplier. Two T shirt designs/styles were shortlisted with one being chosen. A 'prototype' will be developed. This will be published once it is received.

### Playground Equipment

The Steering Committee has made decisions on the style of playground equipment to be placed around the school. These will be located in the Kindergarten and Pre-Primary area (Nature Play), Junior Primary area (Playmaster) and Senior Primary area (Playmaster).

### School Motto

The Steering Committee also spent some time on an exercise which was used to develop a number of suggestions for our school motto. This will continue with a meeting of a sub group who will develop this further. Their recommendations will be presented to the main group at our next Steering Committee meeting.

## Before and After School Care

I have had quite a number of enquiries from parents about whether the school will be having Before and After School Care. The answer to this is yes. We will be meeting with a number of providers of this service over the next few weeks. As soon as we have made a decision parents will be notified.

## Staffing

Associate Principals: These have been advertised on the WA Governments Job website and applications will close on Tuesday 25th August. The successful applicants will commence term 4.

## SCHOOL HOLIDAY

# ATHLETICS CLINIC

The clinic is designed to develop athletics skills and techniques for boys and girls aged 8 to 16 years (Little Athletics age groups U9 – U17).

Whether they are beginners or accomplished athletes, our experienced coaches will ensure your children are enjoying their training while aiming for their personal bests.

- Where:** WA Athletics Stadium  
Stephenson Ave, Floreat WA 6014

## Resilience Building from Birth to 25

with Maggie Dent

Everyone wants their children to grow up happy, healthy, strong and kind and that's what resilience is all about. We can strengthen children's capacity to better manage adolescence – and we can also build this life-coping capacity during adolescence. In this seminar, parenting author, educator and resilience specialist Maggie Dent explores her 10 resilience building blocks for childhood as well as looking at the essential value of healthy support during adolescence.

**Venue:** Serpentine Jarrahdale Grammar School  
Cnr Bishop and Soldiers Rd, Mundijong  
**Date:** September 16th 2015  
**Time:** 6.30pm  
**Cost:** Gold coin donation  
**RSVP:** 12th September to the school on 95259140 or
