Makybe Rise News

Principals' Message

Dear Makybe Rise Families

These last few weeks of the 2017 year have been a wonderful celebration of our children's achievements.

Monday started with the Makybe Magic Morning Tea and another group of truly delightful children from across the school, all so excited to be coming into the staff room for their special treat! Congratulations to each of you for your hard work and effort this term.

This year's Student Leader's Lunch highlighted what a gorgeous group of students we have setting the gold standard for every other student here at Makybe Rise. We are so proud that so many students have participated in leadership opportunities that have developed themselves as individuals and have also actively contributed to making Makybe a safe and friendly place for all our children.

Both our AVID Student Success Skills Book Awards assembly, and our Year 6 Graduation Assembly celebrated the achievements of very hard working students from across the school. Congratulations to Miss Gray, Ms Sparks, and Ms Garwood on your superb organisation of these special events.

I am incredibly grateful for the hard work enacted on our behalf by our P&C. It was such a privilege last week to acknowledge and

thank the very many parents who volunteer in our school in one form or another.

I am extremely proud of the quality of staff we have here at Makybe and I would like to thank each and every one of them for their passion and commitment to excellence.

The success of Makybe Rise Primary School is a genuine mix of the efforts and commitment shown by all the staff and parents - *all* the adults - who, together, make up our community. It is the adults in our community and the ways in which we work together that have built a school renown for excellence, a school where everyone experiences a sense of welcome and belonging.

We would like to wish all our families a safe and happy festive season and we look forward to seeing you again in the New Year!

every child every day

Goodbye & Goodluck

Farewell to students and families that are leaving us at the end of the year to head off to new schools.

To our Year 6's, best wishes for high school and the future!
