Issue 4 Term 1

## Message from the Principal

Dear Makybe Rise Families

At Makybe Rise Primary School, we believe that it is the adults in our school community who make the difference. The solid line of the circle in our school logo is a representation of all the mums and dads, teachers, education assistants, aunts, uncles, grandparents and so on, who, together, create a safe and welcoming space for our children to learn and play within each day.

The successful education of our children requires a genuine partnership between families and teachers. Our teachers are passionate about ensuring every child is happy at school and achieves to their very best ability and we know that you appreciate this. To support families with drop off times, every teacher arrives early to school in order to open their classroom at 8.30am, 15 minutes earlier than the required time of 8.45am.

In an effort to further ease the pressure on our car parks and to support our families to safely bring the children to school each morning, we invite children in Years 1-6 to arrive at school at 8.15am and walk immediately to the Undercover Area. In the Undercover Area, children are able to sit and talk quietly under the supervision of our teachers who voluntarily take on this additional duty. At 8.25am, the children are dismissed to walk quietly to their classrooms where they prepare themselves for the day ahead.

It is not acceptable for any unsupervised children to arrive at school before 8.15am.

Onsite before School Care from Helping

Hands is available from 6am to support working families. Helping Hands bookings can be made at [www.helpinghandsnetwork.com.au](http://www.helpinghandsnetwork.com.au)

Whilst the sunny days are stunningly beautiful just now, the cooler weather will be upon us at the start of next term. I would like to encourage our families to plan now to be organized with winter school uniform items.

Our uniform shop is open every Monday afternoon and Wednesday morning. Now is a good time to get in and stock up on school jumpers, long sleeve navy shirts which can be worn underneath our green polos for additional warmth, navy cargo pants for boys, navy tailored pants for girls, and navy tights for girls to be worn underneath the school zina skirts.

For some very small children, for whom the school size 4 pants are too large, plain navy cargo pants can be purchased at alternate stores. There is no place for black clothing or clothing with brand logos at Makybe Rise.

Appropriate footwear in winter includes sneakers and flat closed in shoes. Boots, thongs and ugg-boots are for home wear and not appropriate for school.

Parents can also purchase good quality second-hand uniforms from the canteen.

Steph McDonald  
Principal

# Room 3 "All about Me"

## Room 3 History

In Room 3, the topic for Term 1 is 'All about Me'. In History, the children have been learning about families. They have drawn pictures of the people that they live with and they have compared their own family to a friend's and discovered that not all families are the same!

Every child has interviewed their family members to find out where they were born and we have explored the different countries on a world map. We have some parents born in Australia, England, Russia and India!

It is so interesting to learn and share about each other!

Katrina Shaw  
Classroom Teacher

## Building Inclusion in Room 35

What a terrific start to 2019 Room 35 has had! Our classroom is made up of 30 very unique students and one privileged teacher!

Over the last 7 weeks of school, students in Room 35 have embraced each other and formed a team community, where every part of the team looks out for other team members. The focus in our class was creating an environment where each person can show their individuality and be a part of something. We have learnt and developed a trusting and respecting environment where every individual feels they are valued and appreciated for who they are.

Students love our Morning Meetings where they get to socialise and interact with each other. It is amazing to see students finding out new things about each other every day through these meetings. Room 35 is a bunch of sporty individuals who love to take their Morning Meeting outside in the sun and love participating in their inclusion activities.

One favourite activity of Mr Coates' was watching students involve themselves with the spider web activity. It was fantastic to see students sharing and being so involved. I think it is going to be a fantastic year with Team 35, I can't wait to see them continue to do great things.

Mr Coates

# Growth Mindset

## Mathematical Mindsets: The Tortoise and the Hare

Mathematics is not just about recalling basic facts. As the Mathematics proficiency standards outlines students need access to understanding, fluency, problem-solving and reasoning.

One of the big misconceptions about Mathematics is that if you can recall basic facts quickly, you are strong at Mathematics. Therefore, if you recall these facts at a slower rate, you're just not good at Mathematics.

In fact, as Jo Boaler (Mathematical Mindsets, 2016, p.30) states "people believe that mathematics is all about calculating and that the best mathematics thinkers are those who calculate the fastest...Yet the mathematicians, who we could think of as the most capable math people are often slow with math...because they think carefully and deeply about mathematics.

Have you ever thought this?

## English Language

Did you know that the English language has more than 30 different rules for spelling? It's a minefield of spelling choices for many adults let alone our children!

Here at Makybe Rise we leave no stone unturned in helping our children master all those spelling rules. One of the ways we do this is to make sure that we have very detailed information about what each child knows and what their next learning step is.

Our Year 1 students have very recently completed the *Astronaut Invented Spelling Test* (– it's a complex name for a test that tells us exactly what rules the children know.) We were super excited to find that, on average, the Year One cohort were only four points off having already achieved our middle of the year goal! And there's still well over a whole term to go!

Congratulations Year Ones!

# German Gems

Every newsletter, I will post a 'Did you know...'

## German the fourth most commonly taught language worldwide.

German edges out Mandarin Russian, and Spanish, landing in fourth place among the most widely taught languages. This places German right after English, Mandarin and Spanish.

1. English
2. Mandarin
3. Spanish
4. German
5. French
6. Arabic
7. Portuguese
8. Italian

While German is not spoken as widely, its importance in the areas of international trade, economics, science and technology is powerful. Plus, German is the official language of both Germany and Austria, as well as a co-official language in the European Union.

## Crunch and Sip

The Crunch & Sip program is an easy way to help kids stay healthy and happy!

Crunch & Sip is a set break to eat fresh fruit or salad vegetables and drink water in the classroom. Students refuel with fresh fruit or vegetables during the morning or afternoon, assisting physical and mental performance and concentration in the classroom. This gives kids a chance to refuel, a bit like putting petrol in a car.

Each day students bring fresh fruit or salad vegetables to school to eat in the classroom at a set time. Each child has a small clear bottle of water in the classroom to drink throughout the day to prevent dehydration.

Through Crunch & Sip, schools demonstrate their commitment to nutrition education in the classroom, by making links with the curriculum and creating a supportive school environment.

The Crunch & Sip break gives children the opportunity to eat the piece of fresh fruit that might otherwise be left in their lunchbox or not be eaten at all.

## MAKYBE RISE P&C

It's hard to believe we're more than half way through Term 1!

We would like to thank everyone who supported us in our Casual Dress Day with \$891 was raised which will go towards resources for students this year. Our much annual Easter raffle tickets have gone home this week and we are accepting donations to the front office or canteen. Friday 29 March is our first disco - we can't wait to see everyone tearing up the dance floor!

Finally, paperwork for our Mothers Day Stall will be going out at the end of Term 1 and we will be reaching out to volunteers to help in the successful running of this event. If you are available to help please email us at [makyberisepandc@gmail.com](mailto:makyberisepandc@gmail.com)

### Term 1 Events

# Our Playground Rules

Community use of school playground equipment is allowed after school only.

At all times after school, supervision of children is the direct responsibility of parents.

Sand is for digging and building and never throwing.

We take turns on the climbing equipment and wait in line for our turn.

We climb up and down; we never jump off equipment.

We go one way up the ladder, and down the slide on our bottoms.

Only balls are for throwing and catching.

We ride up and back on the flying fox and wait in line for our turn.

We walk on the cement verandas and pathways.

We respect the trees and plants.

## MAKYBE RISE PRIMARY SCHOOL BOARD MEMBERS

**Steph McDonald - PRINCIPAL**

Steph is the foundation Principal of Makybe Rise Primary School which opened in 2011. She is also a parent of two children at our school. Steph has over 20 years experience as a principal and is a passionate believer that every child can learn, and that their potential is limitless when teachers and parents work together in partnership - teachers and parents working together create happy and successful children.

**Sian Lawford - CHAIR**

Sian joined the Board in 2015 and has three children at Makybe Rise, including one who has special needs. She has worked in accounts for seventeen years and was an executive member of the P&C for four years. Sian would like to increase the community presence of the Board.

**Nigel Herbert - DEPUTY CHAIR**

Nigel joined the Board in 2015 and has two children at Makybe Rise. He believes that supporting our school and its staff will assist to build great experiences and outcomes for all the children in our fast growing area. Nigel works as an IT Manager and brings with him a wealth of knowledge in this field.

**Caitlan Glisenti-Pash**

Caitlan is very proud to be a teacher at Makybe Rise, as well as being a member of the Board. She says that being in the classroom with her students is her favourite place in the world. Caitlan is also the HASS Curriculum Leader at Makybe, and looks forward to seeing her students working together each day to become the best that they can be.

**Chelsea Eastwood**

Chelsea joined the Board in 2016 and has three children at Makybe Rise. She has a goal to become a more active member of the community and is extremely passionate about education and works supporting teenage mothers to complete their studies.

**Greg Kingston**

Greg joined the Board in 2016 and has two children at Makybe Rise. He immigrated to Australia in 2014 from the UK as part of the WA Police and is keen to develop a greater understanding of education and to help our school continue to improve. Greg is also the coach of a local basketball team.

**Heath Atkinson**

Heath joined the Board in 2016. He has been with the WA Police for the past 19 years and is currently a Sergeant at Armadale Police Station. Heath was born in Perth and joined the Board as he wishes to make a positive contribution towards the education of children who attend Makybe Rise.
