

MAKYBE RISE
PRIMARY SCHOOL

Voluntary Contributions and Charges 2026

All Schools are required to inform parents and carers of the maximum contributions and charges requested, at least two months before the beginning of the new school year.

The Makybe Rise Primary School Board has endorsed the schedule of contributions, personal items and additional costs for 2026 under the *School Education Act 1999*. The schedule is broken into three sections and will allow you to calculate and plan for all costs that may be incurred throughout the school year.

VOLUNTARY CONTRIBUTIONS

The total amount of voluntary contributions parents and carers are being asked to pay has been set at \$60 per student in Kindergarten to Year 6. This amount complies with the School Education Act 1999.

Voluntary contributions collected will be used to supplement school expenditure in our curriculum learning areas. These contributions will play an important role in the provision of resources that enable the school to add value to your child's learning experiences.
